RESIDENTS on Everett st. are protesting the proposal by Selectmen that the street be made a public way. They claim that no request had been made and that betterment assessments are being forced upon them. Picture at left shows houses at the

corner of Wellesley rd. (with sign) and Everett st. at right shows elementary school. Selectmen told residents illegal, over-night parking could be halted by acceptance.

Share of \$490,000 to Arl. Schools

Arlington public schools will benefit from a \$490,000 grant from Ford Foundation to the New England Education Data Systems (NEEDS) program to provide computer-level data processing procedures and training.

NEEDS is an offspring of the New England School Development Council of which Arlington is a charter member.

In addition to providing services to the school system such as scheduling, report cards, attendance and test scoring, the program has moved actively to train personnel in the art of punch card and computer technology and their application.

The proposal to the Ford Foundation which resulted in the grant stated that eight challenges immediately faced NEEDS:

1. To eliminate the bottle-

neck around information in school systems due to the traditional procedures of record keeping.

2. To provide quickly accurate information for the use of state and federal agencies in their planning and financing of education.

3. To establish effective machinery to relate the research of universities in the day-to-day life of the school systems.

4. To bring technological improvements within the economic range of the public schools.

5. To develop a body of personnel with technological skills in both education and data processing.

6. To close the gap between the sophisticated level of data processing in business and the low level of school data processing.

7. To aid in the revision of state legislation so that the machinery of government will not impede logical and

Local Tax Rate Would Be \$28

If they have paid the annual bill, Arlington property taxpayers may take some comfort from learning that the Mass. Taxpayers Association estimates that local tax rates are lower than the state average.

In a statistical report, the Association estimates that the actual Arlington property tax rate of \$24.60 would be only \$28 per thousand if local properties were assessed at their full market values.

The theoretical \$28 local tax rate is well below the state average "full value" rate of \$32.50 and lower than the average rate of \$29.10 for Mass. towns in the 10,000 to 50,000 population range.

As it has done with the tax rates of all Mass. cities and towns, the Taxpayers Association converts the actual rate to the "full value" rate by an evaluation of local property assessment practices.

"Full value" rates throughout the state range from a low of \$9.70 in Truro to a high of \$78 in Chelsea.

According to the Taxpayers' report, Arlington's per capita direct tax of \$155.90 is below the state average of \$158.

The total property tax bill in Mass. will pass the \$800 million mark this year, the report states, but, despite the record levy, this year's increase is some \$10 million under the annual rate of increase experienced in the state during the past few years.

Prospects are good for another below-average increase next year, the Taxpayers Association estimates. "The plan for accelerated collection of income and corporation taxes, adopted this fall by the Legislature as a budget-balancing device, is scheduled to produce a \$20 million windfall of state-distributed taxes for cities and towns in 1964."

"This one-shot bonus represents more than two-thirds of this year's low local tax increase and well over half of the regular increases of \$35 to \$40 million of recent years."

Towns in Arlington's population range show the most stable tax rate picture, the Association reports.

"So most suburban and rural towns are coping with the pressures of rapid growth and expansion of services without reaching critically high property tax levels."

A comparison with the Arlington local property tax picture with other communities in this area is:

Residents Protest Street Acceptance

Manager Reports Available Funds

Town Manager Edward C. Monahan reported to the Board of Selectmen at the meeting Monday night that there is \$113,532.81 available for the reconstruction of streets of Arlington.

This amount comes under Chapter 782 of 1962 and 822 of 1963 and can be used in 1964 for the reconstruction program.

During the discussion of the plans for widening some streets, it was brought out that many complaints have already been received. Since the widening would involve the removal of trees, many residents are opposed.

Considered for widening was Maple st. and Academy st. which has been used by motorists to avoid the lights in the Center.

It was mentioned that in addition to avoiding the inevitable complaints, the Town would save approximately \$10,000 by not widening Maple st.

It was decided not to widen but just to resurface this street.

Also discussed was the section of Jason st., from Gray to north of Irving which was recommended for widening. It was decided to widen just this section of Jason st., and to resurface the entire street. Residents will be notified per request of Selectmen John W. Bullock.

No other streets of Arlington will be widened. The program includes Orvis rd., Academy st., Maple st., Appleton st., Eastern ave., Jason st. and Russell st.

Annual Banquet

The 9th annual Arlington High School Football banquet, sponsored by the Arlington Lodge of Elks, will be held Saturday, January 11, at the Elk's Home on Pond Lane, Arlington at 7 p.m. Ladies are invited.

Ticket chairman is "Rab" Hurd of 6 Colonial Village drive.

A group of residents of the Everett st. area, attended a hearing held by the Board of Selectmen to consider the acceptance of the street by the Town.

Heated discussion revolved around the assessments issued to abutting property owners. Residents were assured that amounts quoted would not be increased but possibly reduced if final costs were less than estimated.

Betterments to the street, if accepted, would include sidewalks with grass area, curbing, paving of the street, sewerage and drainage.

Residents are assessed for one-half the cost of the sidewalks, one-half of curbing, cost of frontage on street paving, and no charge is levied on sewerage or drainage.

Inasmuch as Town-owned property is on the street, covering the area of the Thompson school and the park, residents are only assessed in this case, approximately 20 per cent. The usual assessment, when a street is accepted is between 50 and 65 per cent.

Strenuous opposition was registered by those present with various comments including the fact that they had not at this time requested acceptance of the street.

Selectman Joseph Greeley explained that since there is sufficient money available for road construction this year, it was a good time to consider Everett st. for acceptance. He pointed out that when they

did request a hearing two years ago, it was financially impossible to include the street in the Town program.

Selectman Philibert L. Pellegri also assured the group that the illegal overnight parking, of which they had complained, would be controlled by the Town if the street was accepted. At the present time, the Town has no authority regarding parking on that street.

Members of the group questioned the assessments of corner lots and it was explained that Town policy is to assess corner lots on a one-half basis. An attorney representing the Catalano family, specifically objected to the assessment of \$5,700 on the eight lots they own. He pointed out that if the lots were broken up, some of them might be corner lots and therefore the assessment would be nearer \$3,000.

The total assessment on the estimated cost of \$31,535.90 for construction of the street, is \$18,320.65. Of this amount the Town stands \$6,300 and the remaining \$12,000 is split among the 19 parcels of abutting property on the street.

The Board of Selectmen assured the group that they would take into consideration the opposition of those present and even if the Board recommended the acceptance of the street, it would have to be considered at the Town Meeting.

Snow Figure Is \$192,351

Superintendent of Public Works Francis N. O'Hara has submitted to the Board of Selectmen a statement of cost of removal of snow and ice and maintenance of equipment which shows that the worst December for many years has hit Arlington.

A deficit of \$10,027.19 existed in the snow removal appropriation as of Dec. 25, 1963. In addition to this, a sum of \$4,211.23 was expended from Dec. 26 through Dec. 30, bringing the total deficit to \$14,238.42.

Total cost for the year was \$192,351, according to Manager Monahan.

The cost for sand and other equipment and expenditures for the period from Dec. 26 through Dec. 30, came to a total of \$15,371.47. Maintenance costs during the same period were \$4,134.40.

The total deficit through Dec. 30 amounts to \$33,744.29.

December brought ten days total of snow and continuous cold weather and these conditions are considered the

Annually, the Town appropriates \$20,000 for snow removal during the second half of the year and another \$15,000 for maintenance of equipment.

Legion Leader Dies Suddenly

A funeral Mass for Timothy J. Buckley, 67, retired state American Legion department service officer known throughout the state to veterans and their dependents,

was celebrated this morning at 9 a.m. at St. Agnes church. A resident of 18 Jean rd., he died Sunday in Quigley Hospital, Quincy.

As a full-time Service Officer, he advised thousands of veterans and their families for about 20 years on compensation, pensions, hospitalization, vocational training and G.I. loans. He retired two months ago.

A life-long resident here, he was a Navy flier during World War I. He worked as an optician after the war until joining the Legion staff. In 1957 he was elected president of the Service Officers Association.

A charter member of Arlington Post 39 of the Legion, he served as its commander once.

Chairman of the Arlington draft board since 1941, he also served since 1932 as chairman of the Arlington Board of Registrars. He was a trustee of the Arlington Five Cents Savings Bank.

Besides his wife, the former Anna A. Fleming, he leaves a son, John W. Buckley of North Reading and six brothers, Thomas, Edward, George, Frederick, Daniel and Rep. John P. Buckley, all of Arlington.

Burial was in Mt. Pleasant cemetery.

Bedical Bystery

The doctors admit that "as of now, we can't cure colds," and add, "anyone who tells you he can, deserves at best considerable suspicion."

Such is the word of the American Medical Association on the subject of "the common cold," which says that while most people know it can't be cured, "we still waste a lot of time and money on pills and nostrums and treatments — all in the faint hope that maybe this time something will help." The AMA also takes a dim view of vaccines for cold prevention, declaring that it is "unlikely that a vaccine will help much."

Grandma had the right idea, if you ask

the AMA. "If you get a cold," it advises, "stay home in bed. Keep warm. Gargle to ease a sore throat. Take aspirin for the discomfort. None of this will cure the cold, but it will make you feel somewhat more comfortable while your body's natural defense mechanisms are building up enough steam to overcome the cold virus."

But don't think the medicos are giving up. Research goes on to find the cause and "possible cure" for colds and the AMA expresses the hope that: "Perhaps the answers may be found some day."

We may be sure they will let us know when that happens!

What About Publicity

What about publicity? And, actually, what is it?

Our most simplified definition is that it is material submitted to a newspaper which is not essentially news. Therefore, we think it needs special treatment and careful effort in order to cross over that line from "sales pitch" to "honest news."

Since this is the 1st of the year — and also political time — permit us to state a few regulations which we believe are valid.

Remember, always, that we want to print it if it is news and that you want to get it in the paper, if you can.

Primarily, even though elections are soon, we are talking to club publicity chairmen!

In order for you to win, we ask:

1) decent, legible copy on paper at least larger than a wedding invitation;

2) write or type — double space, triple is better; good writing is just as acceptable;

3) leave room at the top of sheet for us to write headline and give instructions to back shop;

4) use one side of sheet only;

5) local names must be in the story — we care more about who the program chairman is, than some so-called "international" known speaker.

6) when something is stated as a positive fact — it was "a wonderful" meeting or he is the "best candidate" — quote some responsible person. The Advocate will not make these claims for you unless it chooses to do so in its editorial columns;

7) never say "our" club, church, friends, etc.; most of our readers are not members, so "our" is silly;

8) an event which is important to you should be reported as fast as possible — not when you feel like it but when the reader wants to know about it;

9) cut out all glowing adjectives; avoid: best, wonderful, interesting and informative, charming, etc.; can you prove these statements?

10) read, re-read and re-read again your material and cut out all superfluous words, phrases and repetitions; readers will read three or four inches but not a full column.

THANK YOU!

To the Editor:

It pleased me that Mr. Leonard Collins in Collins Corner recalled that my father, Denis A. McCarthy, had written a poem at the request of the Boston Globe on the death of President Kennedy.

I also want to add my word of praise to the many already expressed for the splendid editorial in the Arlington Advocate on the death of President Kennedy.

And while we still have the thoughts of President Kennedy's death in our minds, and now that we realize that his words about liberty and justice for all "came from the heart" as your editorial said, and that he had put the question of civil rights on a moral basis, might it not be a good time to reprint a widely quoted poem of my father's "This is the Land Where Hate Should Die"? Unfortunately for our land the message of the poem is needed as much now as when he wrote it for his generation.

Yours truly,
Rufina McCarthy Helmer
212 Gray St.

THE LAND WHERE HATE SHOULD DIE

This is the land where hate should die—
No feuds of faith, no spleen of race,
No darkly brooding fear should try
Beneath our flag to find a place.

Lo! every people here has sent
Its sons to answer freedom's call;
Their lifeblood is the strong cement
That builds and binds the nation's wall.

This is the land where hate should die—
Though dear to me my faith and shrine,
I serve my country well when I
Respect beliefs that are not mine.

He little loves his land who'd cast
Upon his neighbor's word a doubt,
Or cite the wrongs of ages past
From present rights to bar him out.

This is the land where hate should die—
This is the land where strife should cease,
Where foul, suspicious fear should fly
Before our flag of light and peace.

Then let us purge from poisoned thought
That service to the State we give,
And so be worthy as we ought
Of this great Land in which we live!

—DENIS A. MCCARTHY

QUESTIONS REASON

To the editor:

Last week's MAT column explores the possibility of a "grudge" fight as Kevin P. Feeley announced his candidacy for the office of Selectman.

What is more disturbing is Feeley's violation of one of the most basic rules of political life, that is — not to be found in contradiction with oneself.

In his December 26th announcement, Feeley suggests that he postponed his entrance into the Selectmen's race until after the 30 day moratorium from politics occasioned by the death of our beloved President Kennedy.

Why then did Feeley send out the enclosed December 14 announcement of his candidacy only 22 short days after the President's death? (A photostatic copy was enclosed—Ed.)

Aside from the obvious contradiction in the announcements, my friends and I find it in questionable taste to use this tragic event in this manner.

The so-called political moratorium applied only to national politics and the presidency itself. A brief glance at Boston and local newspapers will show that there has been widespread political activity on both the state and local levels during the past month.

Again, Feeley's mention of the so-called moratorium as the reason for postponing his

A Good Resolution

Stop smoking!

The Massachusetts Heart Association today proposed this New Year's resolution for teen-agers with the added reminder to non-smoking youngsters that the best way to deal with cigarettes is never to start smoking them.

The MHA, which recently devoted the first section of its annual report to a warning against smoking, said that young people who persist in smoking may find their life span shortened by heart disease or other major health problems.

Adults, too, were counseled that heavy smoking may contribute to or speed up the development of coronary heart disease or its complications.

"A number of medical studies have demonstrated a substantial association between cigarette smoking and illness and death from coronary artery disease," the Association stated. "In these studies death rates from heart attacks in middle-aged men were found to be 50 to 200 per cent higher among heavy cigarette smokers as compared with non-smokers and pipe or cigar smokers."

"A few of these studies also offer evidence that illness and death from coronary artery disease decrease significantly among those who have stopped smoking," said the Association.

Parents were urged by the Heart Association to provide an example for their children, since twice as many high school students smoke when both parents smoke as when neither parent smokes, the Association said.

It is especially important for adults with a high risk of coronary heart disease to discontinue cigarette smoking, the Association noted. This group includes those with a family history of heart attack or stroke in middle age, high blood pressure, high levels of fatty substances in the blood and other factors associated with greater proneness to hardening of the arteries.

Statistical analysis of existing data indicates that cigarette smoking is associated with a yearly increase of about 60,000 premature deaths from coronary disease among American men. This is approximately equal to the estimated increase in deaths associated with cigarette smoking from all other diseases combined.

That Man About Town

By MAT

As far as we can learn, there is no strong "grudge" angle to the fact that Kevin Feeley and John Billafer, former partners in a law office here are both running for Selectman. Both are about 25-27 years old.

On the other hand, they are not running as a team. As we feel it, both probably feel that this is a good year to run. (Senator Pellegrini has decided not to re-run and any incumbent is hard to beat, particularly a man like Phil.)

Next year, 1965, John Bullock's term is up. He most certainly will go again for the simple spot. So, it would be ridiculous for either Feeley or Billafer, or both, to try in '65. All three have their best strength among the Irish Democrats.

The other spot this year is held by Arthur Saul. If he should choose to run, he'd have an easy time, believe us.

Besides the purely political aspect, Saul is very respected in all quarters. Since he has been on the Board, there has been a minimum of bickering. Not that the others have not minds of their own, but when Saul stands forth his arguments are devastating.

Newly announced candidate for Selectman is John Kolligian of 239 Ridge St. He's young, too—31 years—and, as far as we can find out, not well known. Maybe, he will tell soon who, what, why he is running.

Coming back to Bullock and year 1965, he'll probably have a fairly easy time, also. Back in '62 he won going away in a 6-man race and beat some pretty formidable names — Bill Barnstead, Charlie Kent and Tommy Rawson.

The latter two fell flat on their noses. If they had been stronger, staunch Republican Barnstead might have won.

Thus in '65, Bullock might have his troubles if another strong Dem should run plus a powerhouse Rep. And, the obvious issue would be conflict of interest.

As we've said many times, we believe conflict does exist. Selectman Bullock is a builder and "appears before himself" when he comes before the Building and Zoning Boards of Appeal—boards which the Selectmen appoint.

However, few seem to care enough to raise the issue. Maybe they will, come the '65 election time.

EARNINGS

New England Electric System estimates for the full year 1963 consolidated net income of about \$20,400,000, or an eight per cent improvement over 1962.

This would equal \$1.46 a share compared to \$1.40 earned in 1962.

Chairman William Webster said New England Electric looks forward to continuing increases in electric and gas sales in 1964.

SUBURBAN NATIONAL

The Board of Directors of the Suburban National Bank of Arlington has announced through its Chairman, Edward J. Duffy, Jr., that effective January 1, 1961, interest of 4% per annum will be paid on all its Savings Deposits.

Duffy stated that 4% is the legal limit permitted by law for a National Bank to pay its Savings Depositors for deposits that have remained for 12 months. All of the bank's deposits are insured by the Federal Deposit Insurance Corporation.

He stated further that "this is the latest first for the Suburban National Bank" and listed among other conveniences and advantages brought to Arlington by the bank during the past year, the following: free drive-up parking, drive-in window for all banking purposes, with heated, iceless driveway, more customer banking hours than any other bank in the community, a plentiful supply of modern safe deposit boxes, and twenty-four hour depository facilities.

"The Suburban National Bank is Arlington's most modern and progressive bank," Duffy stated. "It is our intention to continue to serve the community's financial needs with friendly and forward looking policies."

The old goes out and the new one comes in. But there is no season or year for the letter writers who send in their scripts to newspapers all over the land expressing their like or dislike for whatever subject comes into their minds.

Last week in the Advocate was a letter signed by a lady who exorcised two of our politicians for not building an "outdoor palace" at Harvard Sq., and ended her little piece by saying, "I'll certainly shun those two, and the rest of them who run the town."

Without going into the merits of her "beef," one wonders if she really knows who "runs the town."

This statement has been heard over and over again, with added phrases such as "all politicians are alike," etc., and etc. But the amusing people who make it, are some of our town meeting members who are the real politicians, and they are the ones who really run our town. But if you told them they were "pols" they would look aghast, with an "how dare you" attitude.

But they are, and our town could not be run without their sayso. For they are the elected politicians who vote every dime the town spends. They are the ones who vote the large sums for our schools, police and fire, our highway program, our library, parks and playgrounds and many many other articles. They vote the salaries for all employees, both appointed and elected, and they are the ones that eventually say what our tax bills will be.

Yes, over 250 of these citizens of both sexes meet in many meetings and say to the various members of boards "here is your budget for the coming year and you must live and operate within it."

So it is best not to shun these "pols," for without them we'd be in a sorry mess. And it seems doubtful if many town meeting members really realize when they run for election how vital they are to the town they live in.

In years gone by, members have heard some wonderful speeches made, and have really enjoyed the meetings. But things have changed a bit; and today we find specialists orating for groups who are trying to put some favored article through, and they do an excellent job. Still there are too many members who just sit and sit year after year and never say a word; and sadly, in many cases, vote either with their neighbor, or on the "popular" side. And they are the ones that screech to high heavens when they receive their tax bill because of the funds that they themselves voted.

And if one wishes to go just a bit beyond, all the voters who elect these folks are also in the politician class. It is wondered if people who never vote, refrain because they do not wish to be branded with the stigma of that horrid name.

So please, don't shun all these folks as they are the life blood of our democracy, and they give many valuable hours to working for our comforts. And the real purists are the town meeting members who do it for free.

Petition For One-Way Traffic

A petition from residents of Alberman St., was referred by the Board of Selectmen at the meeting on Monday night

to Town Manager Edward C. Monahan.

Twenty residents signed the petition requesting that Alberman St. be made one-way from Walnut St. to Mt. Vernon St. The heavy amount of traffic creates a hazard to the many children in the area.

Town Manager Monahan will investigate the matter and make a report to the Selectmen.

AHS Hockey Team In Victory Streak

Bill Langone recorded his second shutout of the season Thursday, Dec. 26, as Arlington High took Waltham 3 to 0. The win, third straight for the locals, came on goals by Larry Cappello, Charlie Toczykowski and John Deveaux.

Waltham held the Burns-men scoreless for over half the game as the latter's potent offense was frustrated on many occasions by veteran goal-tender George McPhee, who compiled a total of 29 saves.

It wasn't until 6:51 of the second period that Arlington got a score.

McPhee just couldn't move over fast enough when Dick DiCaprio passed across the goalmouth to Larry Cappello who flipped the puck over the downed Waltham goalie.

In the third period, Charlie Toczykowski scored from in close, converting a John Deveaux pass, and late in the game Deveaux took Toczykowski's pass out and scored from just outside the crease. Langone had only seven saves.

In a stunning game on Saturday, Dec. 21, right wing Gordon Clarke exploded for four goals and goalie Bill Langone recorded his first shutout of the year as Arlington High pounded Rindge Tech 9 to 0 at the Boston Arena.

The win puts Arlington into a two-way tie for GBI first place with Newton, winner over Cambridge Latin 5 to 1.

The amazing Spyponders, who have scored 29 goals in four games and surrendered but one, buzzed the Rindge goal like angry hornets, hammering shot after shot at Norman Legar, the over-worked Rindge goalie.

The front line of Gordon Clarke, Charlie Toczykowski and John Deveaux came up with its biggest game yet—accounting for six of the nine goals.

Deveaux opened the scoring at 5:27 of the first period, when he took a pass from new defenseman Paul Revell (filling in for injured Bob Jorgenson) and drilled a 40 foot screen shot that tucked neatly inside the goal post. Toczykowski made it 2-0 at 7:56, converting a rebound from Bob Carr's shot which rolled across the goal-mouth behind the flattened Rindge goaltender.

At the one minute mark of the second frame Clarke notched the first of his four goals on a pass from defensive stalwart Bob Carr, and 36 seconds later E. Ronan's long shot made it 4 to 0. DiCaprio and Carr assisted.

The locals—typical of an Eddie Burns coached hockey team—continued to pick up momentum as the game rolled on.

Clarke slammed in his own rebound at 3:45 of the second period for his second goal of the game, and at 7:18 Bob Carr scored unassisted when he blasted a slap shot from the point.

In the third period Tom Shaunessey took over in the Arlington nets, giving Langone a much deserved breather. The locals continued to pound away at the Rindge cage—Clarke scored twice (his 3rd and 4th) within two minutes. The first at 1:39 from Deveaux and the second at 3:12 from Ronan and Cappello. Fred Dolan finished off the locals scoring spree on an unassisted tally at 7:31 of the last period.

Next week Arlington will face Newton—both 4 and 0—for a first place showdown.

—Edward Cecere, son of Mr. and Mrs. Anthony Cecere of 3 Country Club drive, has attained the honor roll at Chauncy Hall school, Boston, where he is taking a post-graduate course.

Icemen Shovel Way To Victory

Anxious to get their opening games underway, the ambitious Pee Wee Hockey players were out at 6:30 a.m., shoveling snow from the MDC rink last Saturday morning. Without the help of these volunteers, it would have been impossible to play the scheduled games.

Hawks 3, Wings 1.

Jim Nadeau scored two as the Hawks pulled away from the Wings late in the game. Tom Blouin had tied the game up for the Wings with a 30 ft. blast from the right wing boards. Neil Harrington added the insurance marker for the Hawks on a nifty solo.

Wayne Campbell picked up an assist on Nadeau's second goal. Steve Duling playing his first game in the Wings' net made some flashy stops.

Bruins 0, Maroons 0.

Both teams had trouble getting their offenses working. Each team had a few good chances but were turned aside by some slick goal tending on the part of John McKenna and Jack Glennon.

Rockets 3, Rangers 0.

The Rockets played like a club that could go all the way as they belted the Rangers 3-0. John Wanamaker tallied the first two for the Rockets, assisted by Ralph Abbruzzi and Charlie Noyes. Larry Pass added the third goal assisted by Joe Goulet.

Canadiens 4, Leafs 2.

Dan Lennon, the smooth skating Canuck forward, had the "hat trick" as the Canadiens downed the Leafs 4-2. Charlie Harrington scored the other goal for the Canadiens.

Joe Ronan and Joe Demita tried to keep the Leafs in the game as they each scored with sharp shots. Kenney Prusgulis, the veteran goalie, turned aside several other dangerous Leaf thrusts.

Russell Society

A meeting and annual Christmas party by the Jason Russell Society, Children of the American Revolution was held on Dec. 14, at the home of John, David and Ann Vivian, with Cynthia Clark, president, presiding. Richard Guild gave the invocation, followed by the pledge of allegiance to the flag led by Karl Rood.

A moment of silent prayer was observed in memory of President John F. Kennedy while Alison Trott played the "Naval Hymn" on her violin. The C.A.R. creed was led by Sharon Trott.

Several members prepared short programs for the meeting.

Richard McKown spoke on soil and water conservation, June Cunningham on display of the U.S. flag, Robert Cunningham on the Bill of Rights and Cynthia Clark on the history of American literature.

Alison Trott read the Christmas story from the Bible and Karen Rood and Ann Vivian read Christmas poems.

Used clothing was brought to be sent to the Indian and D.A.R. approved schools. They are also the first society in the state to make a financial contribution towards the renovation of the Massachusetts D.A.R. memorial room in Washington, D.C.

A gift of a senior president's pin was presented to Mrs. Loring E. Trott, senior president, by John Vivian from the Vivian family.

After the benediction given by Richard Guild, the members and their guests enjoyed refreshments, music and dancing.

Hospitality hostesses were Ann Vivian, Karen Rood, and Alison and Sharon Trott.

50th Anniversary

An open house was held for Mr. and Mrs. Charles Werner, 18 Cleveland st., recently. Many relatives and friends attended.

Held in their home, the party was a surprise to them. Their four children and eight grand children were present. Children include Ralph Werner of Allston, Mrs. John (Marion) Feeley of Bedford, Robert Werner of Kingston, and Mrs. Leonard (Dorothy) Morrille of Olympia Fields, Illinois.

Mr. and Mrs. Werner have lived in the same house for

50 years. Werner is now retired, having worked for McKenzie Greeting Card Company and the Dept. of State Police on Commonwealth ave. Mrs. Winifred Werner nee Maxwell was born and raised in the same house. The house on Cleveland st. was the first built on that street and she remembers the fields all the way to Broadway. She has seen many changes in Arlington and is probably the oldest Arlington-born resident, having lived 73 years in Arlington in the same house.

Arl. UNICEF Cards Sales Top \$400

A total of \$485.75 worth of UNICEF cards and calendars were sold by the greeting card unit of the Arlington Committee for UNICEF, headed by Mrs. Stevan I. Zoltan of 325 Gray st.

Mrs. Howard C. Haas, chairman of the overall committee for UNICEF said that the UNICEF collection in the schools, which in the past has been held in the fall, is planned this year to take place in the spring.

"UNICEF greeting cards, the sale of which raises money for the United Nations Children's Fund, harmonize wonderfully with the Christmas spirit of good will toward men, for they call attention to the needs of the world's children," Mrs. Zoltan said.

"She added that cards may be purchased the year round at the World Affairs Council at 105 Newbury st., Boston, and that many of the items, particularly the correspondence cards would make attractive gifts at any time.

Assisting in the recent sale were Mrs. Huston E. Bird, Mrs. Stanley A. Bozzi, Mrs. Chester G. Brown, Mrs. Walter Castrow, Mrs. Ben R. Cole, Mrs. Philip Crimmins, Mrs. Michael J. Gabriel, Mrs. Vahey R. Gagosian, Mrs. Howard C. Haas, Mrs. Albert J. Gustaff.

Also, Mrs. Ralph H. Hansen, Mrs. Norris Hoyt, Mr. R. M. Langer, Mrs. George Miller, Mrs. William N. Moore, Jr., Mrs. Anthony J. Santos, Mrs. Ralph Savio, and Mrs. I. W. Stephens.

Others in charge were Mrs. John B. Das, special sales; Miss Margaret Yerrinton, transportation; Mrs. Robert Davis and Miss E. J. Hodges (representing Robbins Library) with publicity. The directors of the Arlington Five Cents Savings Bank and Mr. Alexander Malcomson, assistant treasurer, made arrangements for use of space for the sale.

Robert Bowers, assistant vice president of the Harvard Trust Co. served as treasurer.

Home for the holidays from Mount Ida Junior College were Kathleen MacDougal, 101 Churchill ave.; Karen Litwin, 18 Hillcrest st.; Janet A. Rowe, 164 Rhinecliff st.; and Susan Lynn Jones, 85 Mt. Vernon st.

Private Parking Angers Greeley

Selectman Joseph P. Greeley took a firm stand at the meeting Monday night of the Board of Selectmen regarding the parking of privately owned tow trucks on Ryder st.

"I want these trucks cleaned out by midnight," was Greeley's comment.

He further stated that if the trucks are not stopped from parking, that the owners should be made to pay rental fees for so parking.

Greeley stated that after he received complaints from residents in the area, he personally went to the scene to study the problem.

"People going to church have to rub against greasy trucks in order to get by," Greeley reported.

When the question was raised regarding the street being a private way, it was pointed out that the Town does own the street.

Selectman J. W. Bullock asked that the street should be cleared and parking should be banned altogether.

Town Manager Edward C. Monahan will take action immediately to eliminate the illegal parking.

Benefit Lecture

St. Anne's School, Arlington Heights, will sponsor on Friday, Jan. 17, at 7:30 P.M. an illustrated lecture in color by Robert H. and Florence W. Arnold, former Arlingtonians.

The lecture will outline briefly the basic doctrines of major religions in addition to showing exteriors and interiors of places of worship with emphasis on historic, architectural and religious features.

There will be both old and contemporary buildings, large and small, and will include places of worship of many faiths from Judaism to Buddhism and Christianity in its many forms (Roman Catholic, Orthodox, and Protestant.)

Arnold, a professional photographer, and Mrs. Arnold, a teacher and historian, travel widely to obtain first-hand information and photographs of scenic and historic places and do extensive research for their lecture series entitled "History Can Be Fun." Arnold's particular interest is historic and museum photography.

The proceeds from this benefit performance will be used to help send high school student delegates to the 7th annual East Coast Model United Nations conference to be held this year at Mount Vernon, New York.

Over 1000 students from about 100 schools on the East Coast prepare extensively for months to enact and live their roles as representatives to the Model United Nations at a three-day conference held annually in April.

Tickets may be obtained from the school office or directly by sending a stamped, self-addressed envelope with donation.

Stylist

By: MR. GEORGE and MR. ANTHONY

In the search for a hair style which is simple yet highly attractive many women overlook the Simple Oval. Full and rounded with ends turned under, this style is becoming to all women with one exception—those with moon-round faces.

With this style hair is maintained equal length all over with the ends tapered to create a curved effect. It is brushed back from a pivot point in the middle of the forehead with crown hair pushed forward for frontal fullness.

Whether it be the hair style or any one of the more popular styles, a can expect beautiful execution at JOSEPH'S BEAUTY SALON OF ARLINGTON. Only stylists and operators of superb skill and imagination serve you at

THIS WEEK'S HELPFUL HINT: We hear much of hair being used in the washing of hair. The truth is that the foamy stuff gives individual strands more body and strength and makes setting easier.

ENGAGED

Announcement was made on Christmas Eve by Dr. and Frau Hans-Gunther Houbert of Reutlingen, Germany, of the engagement of their daughter, Gundel, to David Frantz Bradford, son of Mr. and Mrs. Mark W. Bradford, 321 Mystic st.

Gundel was born in Baghdad and spent her early years in the Middle East where her father was a teacher in the German Cultural Institutes. She did her undergraduate work at the American University in Beirut and the University of Munich, where she is now continuing graduate work in economics. Last year she studied at Stanford University in California on a Ford Foundation Fellowship.

David Bradford, a graduate of Arlington High, attended Amherst College and then received an M.S. degree from Harvard University, continuing his postgraduate work toward a doctoral degree in economics at Stanford University in California. He is presently engaged in research at Cambridge University in England.

He is the grandson of Mrs. Frank Frantz and the late Governor of Oklahoma, and of the late Mr. and Mrs. Clarence S. Bradford of Vancouver, Washington. He is a descendant of Governor William Bradford.

A spring wedding is planned in Reutlingen.

Temple Emunah To Hear Dean

Dr. Harold Weisberg, dean of the Graduate School at Brandeis University will be the guest speaker at the Temple Emunah Adult Institute on Wednesday evening, Jan. 15.

Dr. Weisberg will make his presentation as part of the Institute Series on "The Making of the Modern Jew," and his topic will be "The Major Modern Jewish Ideologies," exploring the various main forces and ideas that motivate the Jewish Religion and lay organizations.

Dr. Weisberg received his advanced education at Columbia University and was ordained at the Jewish Theological Seminary of America. He is an Associate Professor of Philosophy at Brandeis University in addition to his work as Dean of the Graduate School. He has written and lectured extensively on the subjects of general and Jewish Philosophical thinking and is currently preparing two volumes for press: "Modern Philosophical Problems" and "The Concept of Institution". The lecture will be delivered at 9 p.m. following the completion of the Study Group meeting from 8 to 9.

An investment club, founded three years ago on "Friday the 13th" date, recently went out of business. Its losses on the investments it had made for its members: \$13,000.

ENGAGED

Mr. and Mrs. Raymond P. Morris of New Haven, Connecticut, announce the engagement of their daughter, Marcia Louise, to Mr. John A. Johnston, son of Mrs. John Johnston of Arlington, and the late Mr. Johnston.

Miss Morris attended Douglass College, New Brunswick, New Jersey, and Katharine Gibbs School, Boston.

Mr. Johnston is a graduate of Boston University College of Liberal Arts. He received his Master of Science in Social Service degree from Boston University School of Social Work in June, 1963.

An August wedding is planned.

Board Candidate

Attorney John J. Bilefer's campaign for Selectman moved ahead this week with the appointment of Charles J. Nolan to the post of campaign manager.

Nolan is a veteran newspaperman with more than 25 years experience in the field. A member of the International Photo Engravers Union Local #3, Nolan also belongs to the Printing House Craftsmen's Ass'n and Arlington Council 109, K. of C. He is married to the former Mary A. Leary and they make their home at 8 Fox Meadow Lane.

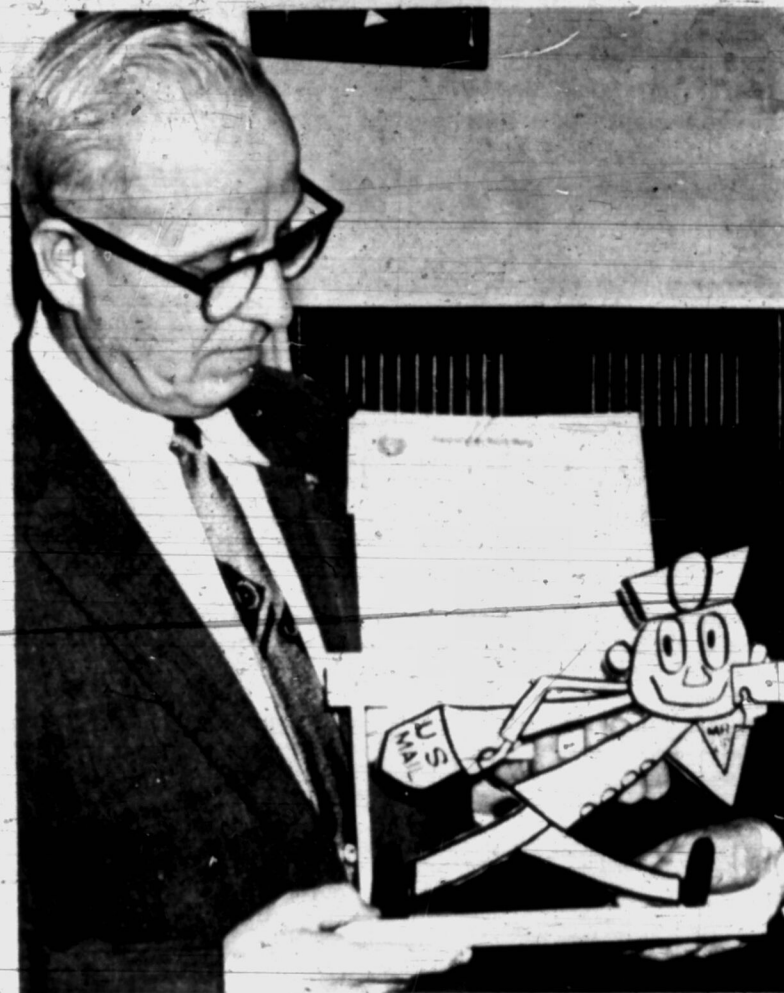

In accepting the post of campaign manager, Nolan stated, "Bilefer's campaign for Selectman is a race in which many Arlington citizens with no previous political experience will wish to take an active part. Why? Because this campaign has many constructive goals, the most important of which is wider citizen participation in local government. The time has arrived for more of our citizens to help shape the future of the town in which most of them will spend their future lives."

In addition to accepting the post of campaign manager, Nolan also announced the appointment of the following committee chairman: Leo Fitzpatrick, publicity; Attorney William J. Fallon, election day committee; Mrs. Mary MacDougal, woman's committee; Mrs. Norma Simone, social; Harold Reynolds, headquarters; Charles R. Antworth, Jr., distribution; Mrs. Constance Ferrante, reception; Charles Oppedisano, transportation, and John G. Perry, registration.

HIGH SCHOOL lad, Robert Carr of 198 Overlook rd., was cited in the Boston Traveler's "Today's Teenager" this week for many talents — football, baseball, hockey, advanced math, school news reporter, student council, etc.

Paper production will close out 1963 about 4 per cent over 1962 if final figures hold to the expected pattern.

P. O. Award

Bamford M. Sawler

Bamford M. Sawler, 285 Mass. ave., an Artist Illustrator in Administrative Services, Boston Postal District, has been cited by the P.O. Department for superior performance of assigned duties and presented a Certificate of Superior Accomplishment and

a lapel emblem along with a cash award for outstanding performance and commendable service to the Post Office.

Sawler has been with the P.O. Department since 1952, and is a veteran of World War II.

125,407 Sign Initiative Petition

The Initiative Petition signature drive to curb the statutory powers of the Executive Council has met with a tremendous success.

The League of Women Voters of Massachusetts reports, together with the Junior Chamber of Commerce, The Massachusetts Taxpayers Association and other cooperating groups have filed 125,407 certified signatures.

Experienced observers in the Commonwealth election division said that this is the largest number of certified signatures collected since the addition of initiative and referendum provisions to the Massachusetts Constitution.

According to Mrs. Allan S. Tait, Arlington League chairman of the signature drive, Arlington Leaguers had circulated more than 90 petitions which yielded 2,371 certified signatures.

After the first of the year, there will be a public hearing before the Joint Committee on State Administration of the bill resulting from the petition.

\$100 Award

Eugene Belle, 219 Summer st., has been awarded the South Middlesex Pharmaceutical Association scholarship at Northeastern University.

The son of Mr. and Mrs. Gene Belle, Belle was a 1961 graduate of Arlington High school, where he took part in the Chess and Dramatic clubs.

The annual \$100 scholarship is given to the student who best demonstrates good academic record and who lives in an area covered by the Association.

Belle is presently in his third year at the University, enrolled in the College of Pharmacy, one of Northeastern's five basic colleges.

He is employed by Beatty Brothers of Waltham as a drug clerk as part of the Northeastern Co-operative Plan of Education.

Under the N. U. "co-op" plan, upperclass students alternate periods of classroom instruction with practical experience on regular paying jobs in business, industry,

Meryl Fowler, 20, son of Mr. and Mrs. Elwyn Fowler of Southhampton, received one of six Oliver Corporation scholarships in the national Dairy program.

Susan Jane Noble, 17, of Westminster, was a national winner in the garden program.

Her's was one of eight scholarships provided by the Farm Equipment Division, Allis-Chalmers Manufacturing Company. Her parents are Mr. and Mrs. Fraser Noble.

Lee Webb, 20, of Cheshire, received one of 12 Sears-Roebuck Foundation scholarships presented in the Leadership program. He is the son of Mr. and Mrs. Arthur Webb.

Ronald Wright, 18-year-old son of Mr. and Mrs. John Wright, Greenfield, was one of 12 national winners in the tractor program. His scholarship came from the American Oil Foundation.

The Year In Review

The year 1963 could be called "The Year of Infamy." "The Year the President Died," "A never-to-be-Forgotten Year." However, it will be a year in which almost all news will be completely over-shadowed in the annals of time by the assassination of the President.

There were however, many events which will be recalled if noted in print, and included among these are many which happened in Arlington.

The following review printed for the benefit of local readers tells the story of events in Arlington through the year 1963.

Museum Of Science

"America's Triple Conquest of Everest" will be told by the intrepid leader of the 1963 American Mount Everest Expedition, Norman G. Dyhrenfurth, in his first New England appearance on January 20 and 21 at Symphony Hall.

Dyhrenfurth will illustrate his narration with color slides, said by noted explorer-photographer and Museum of Science director Bradford Washburn to be "the finest photographic record ever made of a Himalayan ascent."

The story of the American expedition is a gripping account of how the biggest and best-equipped expedition ever to attack mighty Everest made three successful assaults on the peak both from South and West and returned with a wealth of scientific information and pictures. Six men actually reached the top, against formidable odds, in an extraordinary demonstration of teamwork and self-sacrifice.

Tickets for "America's Triple Conquest of Everest" will go on public sale at Symphony Hall Jan. 2.

"OZ" SPECIAL

The Boston Children's Theatre will present a special performance of "The Marvelous Land of Oz" at New England Life Hall on Saturday, Jan. 18, 1964 at 10:30 a.m.

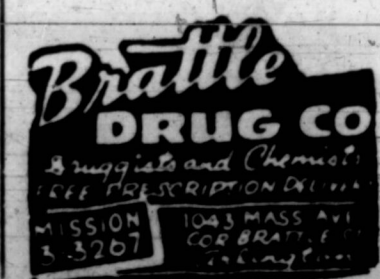

Adding to the fun of this performance will be the appearance of the famed television personality Rex Trailer, with Pablo and the entire Boomtown T.V. gang.

This special performance is being presented in order to set up a Reserve Fund for the Boston Children's Theatre.

Annual Scouters' Dinner

The Minuteman Council announces that preparations are now being made for the annual dinner on Saturday, Jan. 25, at the Waltham Jr. High school.

As in past years, after dinner, the program will include four Silver Beaver Awards to be presented to nominees submitted by the Council committee and approved by the National Council.

Reservations should be back early. This is a fine way for institutions to recognize Scouters and for unit Committees to recognize leaders.

Lecture Series

A series of four free illustrated lectures on popular science subjects will be held in the Museum of Science Friday nights in January.

Sponsored by The Lowell Institute, the lectures will be given in the Morse Auditorium from 8 to 9 p.m.

No tickets are required, but admission is limited to the seating capacity of the auditorium, 385, on a first come first served basis.

Opening lecture in the series will be given Jan. 3 by Gilbert E. Merrill, assistant director of education, who will discuss "Sound — audible energy."

Others in the series are: Jan. 10, "Air — the ocean above" by Edward D. Pearce 2nd; Jan. 17, "The Electron — a mighty mite" by Education Director Norman D. Harris; and Jan. 24, "Lightning — new light on an old terror" by Laurence B. White, Jr.

None For The Road

The ALA warned motorists who will be on the road on New Year's Eve that "None For The Road" is the only safe rule to follow.

said, "has no sobering effect on a person once the liquor gets into the blood stream. In fact, anything taken for the road can give a motorist a false sense of security by making him think he is sober when he is not."

Harvard Trust

Directors of Harvard Trust Company have declared a regular quarterly dividend of 70 cents and an extra dividend of 55 cents payable January 10, 1964 to stock of record at the close of business on December 27, 1963.

In addition, they voted to submit to the stockholders at the 1964 annual meeting, January 21, a proposal to increase the bank's capital stock of \$10 par value a share from 220,000 shares to 440,000 shares.

If such increase is authorized, the Directors plan, subject to approval by the Commissioner of Banks, to issue and distribute to each stockholder and additional share for each of the now outstanding 220,000 shares held, and to transfer the par value of the additional shares from surplus to capital, thus increasing capital to \$4,400,000.

The transaction, if carried out, will in effect, result in a two for one stock split.

It is anticipated that, so far as now foreseeable, the annual regular dividends, based on the 440,000 shares which would then be outstanding, will be \$1.40 a share or the equivalent of \$2.80 a share on the present stock.

James A. Ishell was elected Manager, Bank Agent section at this same meeting.

U. S. PAVILION at the 1964 New York World's Fair is shown in architect's model. Designed by Charles Luckman Associates, the monumental 150,000-square-foot structure will be completely raised above ground level, creating a "floating" effect. The enclosed inner court seen from above is designed to create an oasis of peaceful relief from the bustling fair atmosphere.

GARDEN COURT, at Federal Pavilion at New York World's Fair, will serve as central meeting place with access to all exhibits. It is exposed to sky, yet protected on four sides by inner walls of Pavilion. Architect says it will provide atmosphere of peaceful relief from noise and bustle of Fair.

IN EQUITY
PETITION FOR DISSOLUTION OF SAULNIER BROTHERS, INC.
Respectfully represents Saulnier Brothers, Inc., that it is a corporation duly organized in September, 1962 under the General Laws for the purpose of contracting, building, and brokerage business of every kind and nature; that its capital stock is divided into 600 shares no par value; that it is located in Arlington, in this Commonwealth; that it has paid all debts and has no liabilities; that it has no assets; that it has ceased to do business; that it desires to close its affairs; that at a special meeting of stockholders duly called and held on Wednesday, the eleventh day of December, 1963, at which all the capital stock was represented and voted, it was voted by all of the capital stock to dissolve the corporation and to address a petition to your Honorable Court for that purpose and to empower and direct the Board of Directors to do all acts needful to dissolve the Corporation, a copy of said vote being hereto annexed.
Wherefore your petitioners pray that the Honorable Court appoint a time and place for a hearing to be had on this application, direct such notice to be given as your Honors shall see fit and decree the dissolution of Saulnier Brothers, Inc., and for such other and further relief as your Honors may seem meet.
